European politics saw very few regime changes, the major exception being Portugal which experienced a republican revolution in 1910. However, tensions between working-class socialist parties, bourgeois liberal parties, and landed or aristocratic conservative parties did increase in many countries, and it has been claimed that profound political instability belied the calm surface of European politics in the era. When Tucker takes him to that island, he finds that some details eerily match the boy's statements and some do not.
