The poems in La ciudad de los muertos vacillate between love and eroticism, between life and death, in a constant dialogue replete with mysteries. Her country had established an oversight body under the organic law on drugs and psychotropic substances. When the brothers try to stop Castiel, he brings Sam's memory of the Cage back and proceeds with his plan, absorbing all the souls from Purgatory and pronouncing himself God, having ascended beyond a mere angel. In the German silent film she was presented as a heroine in thrillers, dramas and melodramas that were staged by Harry Piel at the end of the First World War. Ann M Streetman.
