Distant Runner

And fearing to be look'd. In spite of these slightly critical notes on some irrelevant details, I can wholeheartedly recommend this book: it is an indispensable source of information for anyone who is interested in the history of astronomy in German-speaking lands in the 19th and the first half of the 20th century.

The Witching Hour

His witty ripostes, his duels, his dialogues with philosophers

and queens and, above all, his daring escape from prison in Venice he peeled back the roof leads, climbed into the Doge's palace, summoned a watchman to open the gate, walked across the Piazzetta and took a gondola to freedom were the very stuff of society gossip. A recurrent theme in almost every funded project in Kickstarter is the need to build a following, a group of people that believe and want to be a part of your project from the ground up.
